A second long whistle shall bring the Backstroke and Medley Relay athlete immediately to the starting position. When the athletes and Officials are prepared for the start, the Referee shall gesture to the Starter with a stretched out arm, indicating that the athletes are under the Starter's control. The stretched out arm shall stay in that position until the start is given.

If the starting signal sounds before the disqualification is declared, the race shall continue and the athlete(s) shall be disqualified upon completion of the event. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining athletes shall be called back and start again. The Referee repeats the starting procedure beginning with the long whistle (the second one for backstroke) as per Rule 11.1.1.
