The Singapore Disability Sports Council (SDSC) Annual Report FY14/15 documents the events organised for the year and celebrates the achievements of the athletes.

MISSION

Founded on the belief in the dignity, capability and value of persons with disabilities, our mission is to enable our sportspersons to realise their individual potential by providing them with the opportunity to participate and excel in sports both recreationally and competitively.

VISION

To maximise our members' potential through sports.

Milestones

1973-1975

Trial by Fire

Formally known as the Singapore Council for the Handicapped, it was founded on 26 February 1973 by the then Ministry of Social Affairs, Ministry of Education, Ministry of Health and eight organizations for the disabled community. It was later registered with the Commissioner of Charities on 24th May 1973.

Due to lack of funding, only – Robert Tan and Frankie Thanapal Sinnah – were selected to represent Singapore at the Commonwealth Paraplegic Games in Dunedin, New Zealand in 1974. Frankie returned with a bronze medal for swimming, while Robert was placed fourth for javelin and weightlifting, and fifth for archery.

In 1975, the duo were again selected to represent Singapore in the first Far East and South Pacific (FESPIC) Games held in Japan. This time, Robert won a gold and a bronze medal, while Frankie won two gold medals and a bronze medal.

1985 - 1988

Rising from nothing

In 1985, the Council renamed the Singapore Sports Council for the Disabled (SSCD). Notwithstanding its role as the national agency for disability sports, SSCD had no assured funding. There was not even a proper office to carry out work.

Singapore's first participation in the Paralympics Games was in Seoul, Korea. It was represented by 8 athletes from two sports; Athletics and Swimming. Athletics – William Ng, Grace Ong, Raja Singh, Derek Yzelman, Frankie Thanapal Sinnah, Freddy Tang and William Tan.

Swimming – Frankie Thanapal Sinnah and Thomas Yong

1994- 1995

Growing Up

Towards the end of 1994, the SSCD acquired its first office within the premises of the Handicap Welfare Association in Whampoa Drive

From 1973-1994 - The Staff were all volunteers

In 1995, SSCD moved into its new office at the National Stadium and employed two full-time staff. For the first time in 22 years, there was some semblance of a national sports body and a real sense of identity.

Milestones

2002 - 2003

Opening New Doors

National Disability Games was introduced to provide participants with the opportunity to show their abilities in friendly competitions. 10 sports – Archery, Boccia, Bowling, Cycling, Equestrian, Football, Sailing, Torball, Wheelchair Tennis and Wheelchair Basketball.

In a ceremony held on 29 May 2003, the SSCD officially changed its name to the Singapore Disability Sports Council (SDSC).

2006-2008

Breaking the Boundary

The National Disability Games Day was revamped and renamed to the National Disability League (NDL). It encompassed a series of competitions spread over two months. NDL serves as a platform to identify potential athletes for training in the sports development programmes.

Laurentia Tan Yen won Singapore's first medal at the Beijing Paralympics and made history when she became the first Asian to win a Paralympics equestrian medal for her Grade 1a Individual and Freestyle events – She came in third for both events. The disability sporting landscape was altered when Yip Pin Xiu won gold in her 50m Backstroke S3 event and clinched a silver medal in 50m freestyle S3 event.

2012-2014

Reaching Further

Eight athletes represented Singapore at the London Paralympics 2012. Laurentia won a silver and bronze medal in the Equestrian Dressage event. Singapore was represented in four sports – Boccia, Equestrian, Sailing and Swimming.

Jovin Tan and Yap Qian Yin placed Singapore on the map by winning the first ever gold medal in Sailing at the 2nd Asian Para Games in Incheon, South Korea in October. Singapore bagged five more medals at the games, a Silver and 2 Bronze from Theresa Goh for Swimming and 2 additional bronze from doubles and the trios bowling team. The doubles team comprised of Tay Leong Hock and Anuar Bin Saaid whereas Ong Kim Soea, Mohamed Ismail Bin Hussain and Anuar Bin Saaid formed the trios team.

The effectiveness and success of SDSC lies not only in our athletes but also in the sponsors. Fundraising not only raise money for the organization but creates more awareness of SDSC's cause and opens up more channels of communication with the public. With continuous support from our sponsors like JCCI, SPH Foundation, SCAL (just to name a few) we are financially healthy, able to focus on developing disability sports in Singapore.

President's Message

FY 2014/2015 has been a successful year for our para athletes and the Singapore Disability Sports Council. Our athletes did Singapore proud at the 2nd Incheon Asian Para Games. Our sailors, Mr Jovin Tan & Ms Yap Qian Yin, won Singapore's first gold medal at an Asian Para Games while swimmer Theresa Goh won our first silver medal. Our team returned with 1 gold, 1 silver and 4 bronze medals, an improvement on the 4 bronze medals won at the 2010 Asian Para Games. Our athletes had also done well in major international competitions and SDSC is delighted that more para athletes have been awarded sport scholarships by Sport Singapore over the past year.

It is heartening to note that SDSC's Nurturing and Development programmes are opening sporting opportunities for new sporting talents to be discovered and nurtured to become champions. We are excited that more athletes are participating in SDSC's National Disability League, Special Schools and National Championships. This bodes well for talent development of para athletes in Singapore.

Singapore will be hosting the ASEAN Para Games (APG) for the very first time in December this year. The 8th ASEAN Para Games will be a very significant event, not just because it is the final SG50 celebration event. SDSC believes it will be very significant as it will change the public's perception and understanding of disability sports. The games will be a showcase of the human spirit and true grit. SDSC has been working closely with the athletes, coaches and officials to prepare for the competition and I am certain that our athletes will fly the nation's flag proudly at the Games. To strengthen the core expertise of our coaches and officials, SDSC has organized many coaching clinics and learning observation opportunities to better prepare them for the upcoming "busy" season of competitions in the months leading to the APG.

For over four decades, the Singapore Disability Sports Council ("SDSC") has seek to ensure that individuals with disabilities have access and opportunities to participate in sports, including the nurturing and grooming of Singapore's elite para athletes. Disability sports in Singapore has progressed and made great strides over the years. This progress has been made possible by the support, partnerships and collaboration with government agencies, visionary organizations, generous donors and individuals who helped to transform the sporting landscape of the disability community in Singapore. Working together, we have started to seed a movement that recognizes that individuals with disabilities can achieve through sports; that disability should never disqualify one from sports.

At SDSC, we are grateful to be part of the larger community. Over the past year, many have extended their helping hands and we would like to acknowledge them and to express our heartfelt gratitude for their support. In particular we would like to thank Sport Singapore, the National Council of Social Services, the TOTE Board, Haw Par Management Services Pte Ltd, Woh Hup Pte Ltd, JCCI Singapore Foundation, Deloitte Singapore, BGC Partners, Barclays Bank Singapore, Far East Organisation, Boston Consulting Group, Banyan Tree Global Foundation, and AIA Singapore.

Many volunteers and members of public have also stepped forward to support our athletes and events, and to each one of them, we say thank you. Please continue to join us in embracing the unique possibilities and optimism that disabled sports inspire.

On behalf of the 2015-2016 SDSC Executive Committee, I would also like to express our thanks and appreciation to:

- the 2012-2104 SDSC Executive Committee for their significant contributions and leadership of SDSC.
- SDSC staff for their commitment and hard work, ensuring that the SDSC fulfils its mission of serving the best interests of all para athletes and the promotion of disability sports ins Singapore.

Lastly, I would like to thank fellow Executive Committee members for their contributions, invaluable advice and counsel in ensuring that SDSC fulfils its vision of maximizing our para athletes potential through sports.

Yours in Sports,
A/P Teo-Koh Sock Miang
President
Singapore Disability Sports Council

ORGANISATION SUMMARY

BACKGROUND

The Singapore Disability Sports Council (SDSC) is the only sports organisation in Singapore that reaches across all disability groups offering sports at both elite and non-elite levels.

SDSC is a registered charity and also the national sports body for the disabled in Singapore. With a membership of 20 voluntary welfare organisations, National Disability Sports Associations and individual members, SDSC has effectively managed to reach out to over 15,000 individuals with disabilities over the years.

SDSC'S PRIMARY GOAL

FOSTERING THROUGH SPORTS

- physical and mental well-being of the disabled,
- build confidence and self-esteem and
- promote team spirit and a sense of achievement.

With the fulfilment of these aims, SDSC hopes to encourage persons with disabilities in Singapore to live full independent lives and to realise their individual potential.

OUR PROGRAMMES AND ACTIVITIES

- Provide persons with disabilities with opportunities to participate, train and excel in sports
- Enhance the lifestyles of persons with disabilities and integrate them into the community through recreational sports and activities
- Increase public awareness of and promote support for the sporting and recreational needs of the disabled community

SDSC firmly believes in the value and benefits of sports and in the lives of persons with disabilities. Programmes and activities underscore its mission to enhance the potential of persons with disabilities through sports.

SDSC depends on the kind and generous contributions of corporate sponsors and members of the public to advance its cause.

ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS

The Association for Persons with Special Needs (APSN) is a voluntary welfare organisation catering to the needs of children and adults with mild intellectual disability. It runs four schools and a training centre. As a founding member of Singapore Disability Sports Council (SDSC), APSN recognises the importance of sports in their members' growth and development. Their members have represented Singapore in a number of major overseas meets.

HANDICAPS WELFARE ASSOCIATION

The Handicaps Welfare Association (HWA) has always been a strong advocate of sports. A founding member of the SDSC, HWA has been promoting sports and helping to nurture many outstanding sportsmen and sportswomen who have participated in local, regional and international sporting events.

CEREBRAL PALSY ALLIANCE SINGAPORE

Cerebral Palsy Alliance Singapore formerly known as the Spastic Children's Association of Singapore was established in 1957 to provide special education, rehabilitation services, vocational training and gainful employment for children and adults with cerebral palsy in Singapore. Special education was introduced with the setting up of a school in 1966. In 1984, a workshop was added to provide sheltered employment for adults with cerebral palsy. The CPAS has been involved in SDSC's sports program in countless occasions and has always been the organisation to look out for during sports related events and activities. It is also the centre for Excellence, Boccia.

MOVEMENT FOR THE INTELLECTUALLY DISABLED OF SINGAPORE

Movement for the Intellectually Disabled of Singapore (MINDS) is one of the oldest and largest non-governmental organisations catering to the educational, vocational, social and welfare needs of the Intellectually Disabled in Singapore. One of the sports enthusiasts' organisation, MINDS is actively involved in several sports and physical activities organised by SDSC. Their special schools have been participating regularly in the annual multi-sports event – the National Disability Games.

Membership & Affiliations

Founding Members

SINGAPORE ASSOCIATION OF THE VISUALLY HANDICAPPED

The Singapore Association of the Visually Handicapped (SAVH), formerly known as the Singapore Association for the Blind (SAB), is a voluntary welfare organisation, founded in 1951. The association is affiliated to the National Council of Social Service (NCSS) and is an approved Institution of a Public Character (IPC). Throughout the years, SAVH has strongly encouraged its members to participate in SDSC's events and sporting programs.

SINGAPORE LEPROSY RELIEF ASSOCIATION

The SILRA Home was built through public donations and officially opened on 4th September 1971 by the Late President of Singapore Dr. B. H. Sheares. The Home provides food, lodging, and recreation and healthcare services for ex-leprosy patients. It also teaches the patients some handicraft skills and rehabilitative work. The residents want to be treated as an equal to the normal person among the community.

THE SINGAPORE ASSOCIATION FOR THE DEAF

Since its formation in 1955, Singapore Association for the Deaf (SADeaf) has effectively transformed into an integrated services provider to the Deaf community in Singapore. Their services include the educational and industrial training support through its Singapore School for the Deaf (SSD) and the Mountbatten Vocational School (MVS). The Deaf community is well-known for their gifted talent and special skills especially in sports. These characteristics instrumented the adventurous and ever-creative Sports & Recreation Committee of the Deaf (SRCDeaf) that was formed in 1974. Through this sports committee, we have seen several excellent sportsmen and sportswomen who had donned national colours to compete in international competitions.

SPD

SPD, formerly Society for the Physically Disabled, is a voluntary welfare organisation that focuses on helping people with disabilities maximise their potentials and integrating them into mainstream society. Through programmes and services that encompass therapy, vocational skills training, employment support, assistive technology, early intervention, day care, educational and social support, SPD seeks to enable people with disabilities to be self-reliant and independent. As one of the founding members of SDSC, SPD is also one of the pioneers of sports excellence and participation for persons with disabilities.

Membership & Affiliations

Ordinary Members

AWWA

Catering to the educational, rehabilitative and social needs of children with physical disabilities in mainstream schools and institutions of higher learning, AWWA Community Integration Service (formerly known as TEACHME) joined Singapore Disability Sports Council (SDSC) in 1998 to jump start sports and physical activities for its clients. Since 1998, it has organised several sports clinics with SDSC's assistance, enabling their children to participate in sports in their respective mainstream schools.

METTA WELFARE ASSOCIATION

METTA WELFARE ASSOCIATION

Metta Welfare Association (Metta) was founded in 1992 by Venerable Shi Fa Zhao, Abbot of Golden Pagoda Buddhist Temple. He is also currently the President of the Buddha Tooth Relic Temple (Singapore). Metta is one of the keen supporters towards the promotion of sports for persons with disability through its service centres. The Metta School has been participating in Singapore Disability Sports Council (SDSC)'s sports events such as the National Track & Field and Swimming Championships.

DOWN SYNDROME ASSOCIATION (SINGAPORE)

The Down Syndrome Association (Singapore), joined Singapore Disability Sports Council (SDSC) in 2000. Among DSA's support groups is a newly set up DSA Youth Wing, which looks after the social and recreational activities for young people with Down Syndrome (age 10 years and older). The Youth Wing's Down Syndrome Sports Appreciation Programme includes recreational sports such as street soccer.

MUSCULAR DYSTROPHY ASSOCIATION (SINGAPORE)

The Muscular Dystrophy Association (Singapore), MDAS, is a self-help organisation formed in March 2000. It is committed to uplift the lives of people with Muscular Dystrophy. MDAS strived to improve the lives of its members by encouraging their participation in sports and physical activities organised by Singapore Disability Sports Council (SDSC) as a form of rehabilitation. Today, MDAS has successfully assembled a group of sports enthusiasts who regularly play Boccia and Powerchair Football.

TOUCH COMMUNITY SERVICES

TOUCH Community Services is a not-for-profit charitable organisation officially registered in 1992 and has been a member of the National Council of Social Services since 1994. TOUCH is committed to the well-being of all people, reaching out to various levels of needs in the community. Its mission is to establish and provide, for the needy and disadvantaged in our society, an integrated network of community-based services that strengthens the family, believing that every individual is unique and capable of reaching his or her highest potential.

Associate Members

BOWLING ASSOCIATION FOR THE DISABLED (SINGAPORE)

The Bowling Association for the Disabled (Singapore) (BADS) is registered with Registry of Societies since April 2010 and is affiliated to the Singapore Disability Sports Council (SDSC). BADS's main objective is to make bowling accessible to all persons with disabilities in Singapore. It organises and coordinates all bowling activities for the disabled community culminating in the selection of elite teams to represent Singapore in international competitions.

DEAF SPORTS (SINGAPORE)

Deaf Sports (Singapore) known as DSS, is the national body for deaf sports in Singapore and is affiliated to International Committee of the Sports for the Deaf (ICSD) which is the world body for deaf sports and is equivalent to the International Paralympic Committee (IPC). Both organisations are sanctioned by International Olympic Committee (IOC). DSS is responsible for inculcating sports awareness through educational, cultural, sports and recreation activities. DSS's goal is to promote and encourage the deaf and hard of hearing to achieve a better quality of life through sports and recreational activities.

HANDCYCLING ASSOCIATION OF SINGAPORE

Handcycling Association of Singapore (HAS) is a non-profit national disability sports association. It is dedicated to the development of athletes with disabilities by promoting handcycling racing as a competitive sport, and handcycling in general for recreational purposes. The association has taken active leadership role to foster and prepare teams to participate in local and international competitions.

LAWN BOWLS ASSOCIATION FOR THE DISABLED (SINGAPORE)

The Lawn Bowls Association for the Disabled (Singapore) was formed in 2005 and is a national disability-sports association catering to those who wish to take up lawn bowls. The formation of this association spells a good sign for the future of the local disability sports scene. As the sports association functions independently from Singapore Disability Sports Council (SDSC), it has greater freedom on the management and promotion of their sport.

RIDING FOR THE DISABLED ASSOCIATION OF SINGAPORE

Riding for the Disabled Association of Singapore (RDA) was founded in 1982 and registered as a charity in 1987. Since then, more than a thousand children and adults with disabilities have been given the opportunity to ride. RDA provides free, therapeutic horse riding lessons to children and adults with physical and intellectual disabilities. It aims to teach persons with disabilities to ride to the best of their abilities. It has been actively supporting Singapore Disability Sports Council (SDSC) in every sports event organised for the disabled community in Singapore.

TABLE TENNIS ASSOCIATION FOR THE DISABLED (SINGAPORE)

Table Tennis Association for the Disabled (Singapore) (TTADS) was registered in 2011. It was set up to promote table tennis among special school students, the elderly on wheelchairs, the disabled and those who have lost their mobility; adding value to their lives. With a wide base, selected members are invited to join the developmental squad in weekly trainings and eventually to represent Singapore in overseas competitions. It also works closely with Singapore Disability Sports Council (SDSC) to raise the awareness of sports for the disabled and inculcate sports as a lifestyle pursuit for persons with disabilities through their regular table tennis demonstrations and public appearances.

WHEELCHAIR BASKETBALL ASSOCIATION (SINGAPORE)

The Wheelchair Basketball Association (Singapore) (WBA) was established on 7 July 2007 to promote wheelchair basketball for the able and disabled Singaporeans of all ages. Its broad objectives are to provide support and guidance to people with or without disabilities who participate in the sport. It also hold, coordinate and organise competitions and other events in wheelchair basketball to further the interest in the sport. To meet the above objectives, WBA actively conducts public awareness events or collaborate with other organisations to stage wheelchair basketball competitions and demonstrations.

WHEELCHAIR RACING ASSOCIATION (SINGAPORE)

The Wheelchair Racing Association Singapore (WRAS) was formed in 2008 to promote wheelchair racing in Athletics. WRAS aims to inculcate values of sports to individuals with disabilities. Over the years, wheelchair racing athletes have participated in local championships, donned national colours in regional and international competitions. Such competitions challenge the disabled to realise their fullest potential.

Governance

Singapore Disability Sports Council (SDSC) is governed by an Executive Committee that oversees the good management and compliance of the Council's practices in achieving its objectives.

The committee is made up of elected representatives from member organisations and individual members.

SDSC's constitution stipulates that an election is to be held every two years to elect the President and members of the Executive Committee. Once elected, the Executive Committee members decide the composition of the office bearers as well as Chairman of the various sub-committees.

CONFLICT OF INTEREST POLICIES

All Executive Committee members, Chairpersons of Sub-committees and senior staff members of Singapore Disability Sports Council (SDSC) are required to read and understand the conflict of interest policy in place and make full disclosure of interests, relationships and holdings that could potentially result in a conflict of interest. When a conflict of interest situation arises, the member/staff shall abstain from participating in the discussion, decision making and voting on the matter.

REMUNERATION OF THE EXECUTIVE COMMITTEE

No member of the Executive Committee shall receive any form of remuneration for his service rendered as an Executive Committee member.

RESERVES POLICY

The maximum operating reserves shall be five years of annual operating expenditure. The annual operating expenditure is defined as the highest annual expenditure over the last three years. Operating reserves exclude all building/project funds, endowment and sinking funds.

Awareness & Outreach

Programmes and Events

A seed cannot stay a seed forever. When cared with proper care and nurturing, it will change shape and start to be whatever it is meant to be. In this way, Singapore Disability Sports Council conducts programmes, and partners with external parties to create awareness in disability sports. By planting a seed in each person with disability SDSC hopes that sports will take root and grow with each individual over the years.

NURTURING AND DEVELOPMENT (LEARN-TO-PLAY) PROGRAMME

The Nurturing and Development (Learn To Play) Programme is conducted to encourage persons with disabilities to enjoy sports as part of a healthy and active lifestyle. All ND programmes provide basic lessons to allow people with disabilities to enjoy sports. It also doubles as a platform to encourage the disabled community to eventually participate in organised competitions like National Disability League (NDL)

The programme managed to reach out to about 120 participants across ages and disabilities in a total of 10 sports was conducted for the year 2014 – Archery, Badminton, Basketball, Football, Goalball, Sailing, Shooting, Swimming, Table Tennis and Tenpin Bowling.

The Guest of Honour was Mr James Wong, General Manager of Singapore Athletic Association (SAA). A total of 190 participants took part in this year's competition at Hougang Stadium. Two new track events were introduced to encourage young athletes to participate.

Growth

High Participation & Community Sports Participation

**9TH NATIONAL DISABILITY LEAGUE 2014
SEPTEMBER – NOVEMBER 2014**

The 9th National Disability League (NDL) encompassed a series of competitions spread over two months, beginning from 20 September to 15 November 2014. This year saw a participation number of approximately 590 across the 13 sports offered. On an average, three sport events took place concurrently on a weekend. This shortened competition period encouraged athletes to compete in their best sports. NDL provides a platform for individuals to gain experience in sports and competition setting and promote and instill sportsmanship. It is also another avenue to identify sporting potentials for further sport development. Matches were held under different competition system according to the rules of the games. The new comprehensive competition format has allowed the best athletes to compete in their given sport.

Resources

Fundraising, Publicity & Budget

The effectiveness and success of SDSC lies not only in our athletes but also in the resources. With the proper handling of resources, we are able to support the athletes in their various sports. Fundraising not only raise money for the organisation but creates more awareness of SDSC's cause and opens up more channels of communication to the public.

Wheels For Change Cycling Challenge Asia 2014 24 May 2014

Wheels For Change is an annual fundraising cycling challenge organised by Barclays to raise money for charity. Cyclists from Singapore and across Asia joined forces to ride 100km and raise money in aid of the Singapore Disability Sports Council and UNICEF, as part of the first 'Wheels for Change' cycle event to be held in Asia. 70% of the funds raised went to UNICEF's Schools for Asia Programme and 30% of the donations went to SDSC. A total of \$33,324 was raised for SDSC.

INDEPENDENT AUDITORS' REPORT TO THE COUNCIL MEMBERS OF SINGAPORE DISABILITY SPORTS COUNCIL

Report on the Financial Statements

We have audited the accompanying financial statements of Singapore Disability Sports Council, which comprise the statement of financial position as at 31 March 2015, the statement of comprehensive income, the statement of changes in accumulated funds, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Executive Committee Members' Responsibility for the Financial Statements

The Executive Committee are responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Charities Act, Cap. 37 (the Charities Act), the Societies Act, Cap. 311 (the Societies Act) and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair income and expenditure accounts and statement of financial position and to maintain accountability of assets

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by executive committee members, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

2. SUMMARY SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements are prepared in accordance with the Charities Act, Cap. 37, Societies Act, Cap. 311, and Singapore Financial Reporting Standards (FRS).

The financial statements of the Council, stated in Singapore Dollars (SGD or S\$), are prepared under the historical cost convention, unless stated otherwise.

2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Council has adopted all the new and revised standards and Interpretations of FRS (INT FRS) that are effective for annual periods beginning on or after 1 April 2014. The adoption of these standards and interpretations did not have any effect on the financial performance or position of the Council.

2.3 Standards issued but not yet effective

The Council has not adopted the following standards and interpretations that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to FRS 32 Offsetting Financial Assets and Financial Liabilities	1 July 2014
Improvements to FRSs (January 2014)	
(a) Amendments to FRS 113 Fair Value Measurement	1 July 2014
(b) Amendments to FRS 16 Property, Plant and Equipment and FRS 38 Intangible Assets	1 July 2014
(c) Amendments to FRS 24 Related Party Disclosures	1 July 2014
Improvements to FRSs (February 2014)	
Amendments to FRS 113 Fair Value Measurement	1 July 2014

The Council Members expect that the adoption of the standards and interpretations above will have no material impact on the financial statements in the period of initial application

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.4 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost includes the cost of replacing part of the property, plant and equipment. The cost of an item of property, plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Council and the cost of item can be measured reliably.

When significant parts of property, plant and equipment are required to be replaced in intervals, the Council recognised such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in income and expenditure as incurred.

Depreciation is calculated on a straight-line basis so as to write off the costs of the assets over their estimated useful lives. The estimated useful lives used are as follows:

	<u>Years</u>
Computers and Training equipments	1-5
Furniture and fittings and office equipment	5
Motor vehicle	10
Renovation	5

Fully depreciated assets are retained in the financial statements until they are no longer in use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodies in the items of plant and equipment.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income and expenditure statement in the year the asset is derecognised.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.5 Impairment of non-financial assets

The Council assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset required, the Council makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Council of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs to sell, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded subsidiaries or other available fair value indicators.

Impairment losses of continuing operations are recognised in profit or loss in those expense categories consistent with the function of the impaired asset, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Council estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

2.6 Financial assets

Initial recognition and measurement

Financial assets are recognised on the statement of financial position when, and only when, the Council becomes a party to the contractual provision of the financial instrument. The Council determines the classification of its financial assets at initial recognition. When financial assets are recognised initially, they are measured at fair value plus directly attributable transaction costs.

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.6 Financial assets (cont'd)

Subsequent measurement

Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loan and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in income or expenditure when the loans and receivables are derecognised or impaired, as well as through the amortisation process. Loans and receivables are presented as “trade and other receivables” “fixed deposit” and “cash and cash equivalents” on the reporting date.

Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in income and expenditure.

2.7 Impairment of financial assets

The Council assesses at each reporting date whether there is any objective evidence that a financial asset or group of financial assets is impaired.

Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Council first assesses individually whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Council determines that no objective evidence of impairment exists for individually assessed financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate.

If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in income and expenditure.

Financial Statements

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2015

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.7 Impairment of financial assets (cont'd)

When the asset becomes uncollectible, the carrying amount of impaired financial assets is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has incurred, the Council considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in income and expenditure.

2.8 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and fixed deposits with maturity less than three months that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.9 Government grant

Government grant is recognised at the fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to an asset, the fair value is recognised as deferred capital grant on the statement of financial position and is amortised to income or expenditure over the expected useful life of the relevant asset by equal annual instalments. Government grants related to income shall be recognised in profit or loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grants are intended to compensate.

2.10 Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised on the statement of financial position when, and only when, the Council becomes a party to the contractual provisions of the financial instrument. The Council determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value plus directly attributable transaction costs.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2015

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.10 Financial liabilities (cont'd)

Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in income or expenditure when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in income and expenditure.

2.11 Funds

Fund balances restricted by outside sources are indicated and distinguished from unrestricted funds allocated to specific purposes if any by action of the Council Members. Externally restricted funds may only be utilised in accordance with the purpose established by the source of such funds and are in contrast with the unrestricted funds over which the Council Members retains full control of use in achieving any of its institutional purposes.

2.12 Income

The main income for the Association is from membership fees, donations, government grant and sponsorships. Membership fees are recognised on an accrual basis. Recognition of government grant is set out on Note 2.8. All other revenue is based on cash receipt basis and income that are collectible.

2.13 Income Taxes

The Council is a tax-exempted institution under the provision of the Income Tax Act (Chapter 134, 2004 Revised Edition).

2.14 Employee benefits

Defined contribution plan

The Council participates in the national pension schemes as defined by the laws of the country in which it has operations. In particular, the Council make contributions to the Central Provident Fund (CPF) scheme in Singapore, a defined contribution pension scheme. Contributions to national pension schemes are recognised as expenditure in the period in which the related service is performed.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2015

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

2.15 Conflict of interest policy

Council Members are expected to avoid actual and perceived conflicts of interest. Where Council Members have personal interest in business transactions or contracts that Council may enter into, or have vested interest in other organisations that Council have dealings with or is considering to enter into joint ventures with, they are expected to declare such interests to the Council as soon as possible and abstain from discussion and decision-making on the matter. Where such conflicts exist, the Council will evaluate whether any potential conflicts of interest will affect the continuing independence of Council members and whether it is appropriate for the Council member to continue to remain on the Council.

2.16 Operating lease

Operating lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

2.17 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Council if that person:
 - (i) Has controls or joint control over the Council;
 - (ii) Has significant influence over the Council; or
 - (iii) Is a member of the key management personnel of the Council or of a parent of the Council.

- (b) An entity is related to the Council if any of the following conditions applies:
 - (i) The entity and the Council are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others)
 - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
 - (iii) Both entities are joint ventures of the same third party.
 - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Council or an entity related to the Council. If the Council is itself such a plan, the sponsoring employers are also related to the Council;
 - (vi) The entity is controlled or jointly controlled by a person identified in (a);

A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of the Council's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of income, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

Key sources of estimation of uncertainty

The key assumptions concerning the future and other key sources of estimation of uncertainty at the end of each reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Depreciation of property, plant and equipment

The cost of property, plant and equipment is depreciated on a straight-line basis over the property, plant and equipment's estimated economic useful lives. Management estimates the useful lives of these property, plant and equipment to be within 1 to 10 years. These are common life expectancies applied in the similar industry. Changes in the expected level of usage and technological developments could impact the economic useful lives of these assets, therefore, future depreciation charges could revised. The carrying amount of the Council's property, plant and equipment at 31 March 2015 was S\$116,669 (2014: S\$131,141).

20. FINANCIAL RISK MANAGEMENT

Financial risk management objectives and policies

The Council is exposed to financial risk, including credit risk and liquidity risk. The Council's overall risk management approach is to minimise the effects of such volatility on its financial performance. The Council Members review and agree policies for managing each of these risks and they are summarised below. It does not hold derivative financial instruments for trading purposes.

Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The carrying amount of cash and short-term deposits, trade and other receivables represent the Council's maximum exposure to credit risk in relation to financial assets.

The maximum exposure to credit risk for each class of financial assets is the carrying amount of that class of financial instruments presented on the statement of financial position. The Council's major class of financial assets are cash and short-term deposits and trade and other receivables.

Exposure to credit risk

At the end of the reporting year, approximately 34% (2014: Nil) of The Council's other receivables were due from one (2014: Nil) debtor who are located in Singapore.

Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are substantially companies with good collection track records with the Council. The Council's trade receivables which are not past due include receivables amounting to S\$745 (2014: S\$17,634)

The Council has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. As at reporting date, there is a minimum exposure to credit risk.

Interest rate risk

The Council's exposure to market risk for changes in interest rates is minimal because it has no borrowings. The Council does not use derivative financial instruments to hedge its investment portfolio.

Foreign currency risk

The Council's exposure to foreign currency risk is insignificant as its transactions and balances that are denominated in a currency other than Singapore Dollars are very minimal.

20. FINANCIAL RISK MANAGEMENT (CONT'D)

Liquidity risk

In the management of liquidity risk, the Council monitors and maintains a level of cash and short-term deposits deemed adequate by the management to finance the Council's operations and mitigate the effects of fluctuations in cash flows.

The table below summarises the maturity profile of the Council's financial assets and liabilities at the reporting date based on contractual undiscounted repayment obligations.
