### ANNEX B

#### **World Para Swimming Rules 2018 – 2021 Abstract on Section 11: Swimming Rules – 11.1 The Start**

11.1.1 At the commencement of each race, the Referee shall signal to the athletes by a short series of whistles inviting them to remove all clothing except swimwear, followed by a long whistle indicating that they should take positions on the starting platform (or for Backstroke swimming and Medley Relays to immediately enter the water). A second long whistle shall bring the Backstroke and Medley Relay athlete immediately to the starting position. When the athletes and Officials are prepared for the start, the Referee shall gesture to the Starter with a stretched out arm, indicating that the athletes are under the Starter's control. The stretched out arm shall stay in that position until the start is given.

11.1.2 The start in Freestyle, Breaststroke, Butterfly and Individual Medley events [when Butterfly is the initial stroke] shall be with a dive. On the long whistle from the Referee (Rule 11.1.1) the athletes shall step onto the starting platform and remain there. On the Starter's command "take your marks", they shall immediately take up a starting position with at least one (1) foot at the front of the starting platform. The position of the hands is not relevant. When all athletes are stationary, the Starter shall give the starting signal.

11.1.2.1 For an athlete with a Vision Impairment, on the long whistle from the Referee the athlete shall be permitted to orientate themselves prior to the Starters command "take your marks".

Support Staff may aid the athlete to remain stationary at the start; however the Support Staff shall not allow the athlete unfair advantage by being held beyond the 90 degrees vertical position on the starting platform. Giving momentum to the athlete at the start is not permitted.

11.1.2.3 An athlete with only one (1) fully functional leg does not need to have a foot at the front of the starting platform as long as he has one (1) hand or other part of the arm at the front of the starting platform.

11.1.2.4 An athlete may be permitted to start beside the starting platform.

11.1.2.5 An athlete may be permitted to take up a sitting position on the starting platform. An athlete may be permitted to start in the water but is required to have one (1) hand in contact with the starting place until the starting signal is given. Standing in or on the gutter or on the bottom is prohibited.

11.1.2.7 Sport Class S/SB/SM1-3 athletes are permitted to have their foot/feet or the end of their limb/limbs held to the wall, until the starting signal is given. Giving momentum to the athlete at the start is not permitted.

11.1.2.8 Where an athlete is unable to grip the starting place in a water start, the athlete may be assisted by a Support Staff and/or starting device. The device shall be cleared and deemed safe by World Para Swimming prior to the commencement of the Competition. Giving momentum to the athlete at the start is not permitted. The athlete shall have some part of the body in contact with the wall until the starting signal is given.

At the Referee's second long whistle the athletes shall return without undue delay to the starting position. When all athletes have taken their starting positions, the Starter shall give the command "take your marks". When all athletes are stationary, the Starter shall give the starting signal

11.1.4 In IPC Games, IPC Competitions and WPS Sanctioned Competitions the command "take your marks" shall be in English and the start shall be by multiple loudspeakers, mounted one at each starting platform.

11.1.5 Any athlete starting before the starting signal has been given shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the athlete(s) shall be disqualified upon completion of the event. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining athletes shall be called back and start again. The Referee repeats the starting procedure beginning with the long whistle (the second one for backstroke) as per Rule 11.1.1.

11.1.6 For athletes with a hearing impairment, a strobe/starting light will be provided. If an athlete requires additional arm signals by the Starter, this must be requested by the responsible Team Leader at the Technical Meeting.
