yippinxiu The world doesn't need to see my ugly crying face (yours is really well hidden). But the world needs to know how proud I am of you. You finally did it. You freaking did it. You are now a Paralympic medalist after 17 years of training and perseverance. Nobody knows our journey like us and I am so incredibly proud of you. ❤️ #oneteamsg #rioparalympics #rio2016 #tearsofjoy #bothsobbing PC: Hwee Koon

SEPTEMBER 12, 2016

Singapore 2019 World Para Swimming World Series.

## May 2019.

Let's show them they are  
**NOT** alone on home ground.

## **A World-Class Event on this Little Red Dot ●**

From 10 to 12 May 2019, Singapore would lock its global reputation as we stage the 1<sup>st</sup> Asian edition of the World Para Swimming World Series.

Singapore is the fifth leg of this Series and the only Asian host of this prestigious event, which has travelled to countries like the United Kingdom, Australia, United States of America and Germany.

More than 100 top swimmers from all over the world would be descending on our shores for this event. Their results will put them on the qualification path for Tokyo 2020 Paralympic Games, equal to the Olympics for athletes with disability.

Amongst them would be our homeboys and girls who have blazed the trail for sports in Singapore:

### **YIP PIN XIU**

**2-time Paralympic Medalist  
(Beijing 2008, Rio 2016)**

Youngest Nominated Member of Parliament
