

Tender Addendums 1

Dear Vendors,

Please see list of questions that have been asked after the tender briefing on 12 November 2024.

QUESTION	ANSWERS
1. Rigging Plan	We will require you to propose the rigging plan for the approval of the venue owner. Hence please do include that into your proposal.
2. Host Broadcast LAN requirements	For point 2 and 3 for now we do not have the requirements as yet hence we will request that you send in a proposed plan for this item
3. Event Operations (@ Competition Venue - participants, workforce, BOH etc.) LAN requirements	
4. What will be the durations for the 15 pre-event activations	The durations of each of the activations may vary from 2 hrs to 8hrs depending on the type of activation. If the activation we are doing a collaborative one with a partner the activation may be between 2 to 4 hrs and if we are doing an activation on our own than it could be up to 8 hrs.
5. Can we have the specific date of the event activations and the time of operations on each day.	The event activation during the championship will be from 18 to 27 September 2025. And the operation time will be from 9am to 9pm
6. Will the sports try out be children friendly?	Yes, they will be children friendly
7. Can we bring in 3 rd party vendors to be part of the 10 days activations?	Yes, you can bring in vendors to be a part of the 10 days activations. In this case you will be the main contractor and the vendors brought in by you will be known as 3 rd party vendors. However, all vendors will have to be cleared by SDSC before being appointed. And the main vendor will be responsible for the actions of all their 3 rd party vendors.

	<p>And if the 3rd party vendor be charged a rental by the main vendor than 30% of that rental charges will have to be given as a donation to SDSC. Or should the 3rd party vendor be selling anything to the public for cash. Then 30% of the total sales revenue should be given as donation to SDSC.</p> <p>Vendors will have to declare their business model in their proposal.</p>
