4.2.1. The MQS was set based on the average of 17th -19th placed athletes on the official World ranking list 1st January 2023 – 8th September 2024. The MET was set based on the average of the 21st – 24th placed athletes on the official World ranking list 1st January 2023 - 8th September 2024.

4.2.2. If there were not enough athletes on the rankings to meet the above criteria, the average times of the last two athletes included on the rankings were used as an MQS and MET. The exception to this may be the S1 and S2 MQS standards which are set to increase the number of qualifying athletes for these events.

4.2.3. For relay events there are no MQS times; teams can be entered even without previous achievement (they will be seeded with ‘no time’). NPCs that have a time for their relay team from the qualification period will have that time recognised in the entry list.
