Kelly Fan
Executive Director
Singapore Disability Sports Council

Dear Team Leaders,

Welcome to the Singapore 2025 World Para Swimming Championships. It marks the first time the World Championships have been held in Asia.

Singapore 2025 will be one of the biggest Para sports events of the year and is the first major championships of the quadrennial, an important steps towards the Los Angeles 2028 Paralympic Games.

This guide brings all the information you need to get ready for the World Championships. It has been developed by World Para Swimming in partnership with Local Organising Committee (LOC) which has successfully delivered the Para Swimming World Series since 2019.

I am sure many Paralympians and emerging athletes competing in Singapore will go on to be the stars of LA 2028 and future Paralympic Games. Just as importantly, they will also leave a great legacy in Singapore about the power of Para swimming and Para sport.

Do not hesitate to contact the LOC and World Para Swimming in case you have any question about the Team Leader Guide.

We look forward to a fantastic event, and I wish you all the very best of luck!

Craig Nicholson
